

## Line Producer Animation (Head of Production) [m/w/d] (32-40 hrs/wk)

Berlin based feature film and TV animation production company is looking for an experienced Line Producer, leading up to a position as Head of (Animation) Production. Applicant should be a senior production professional with an extensive background in planning, structuring, managing and overseeing CG (and ideally 2D) animation productions and should be interested in a long-term engagement at our headquarters in Berlin.

Akkord Film is one of Germany's leading producers of animated family entertainment with a strong focus on story development, European co-production and financing. With a small pre-production studio and production management in Hamburg, we want to further expand our collaboration with selected co-producers and partner studios in and outside Germany.

### Your tasks

- Continuous production planning from early story development until delivery of production
- Identifying and collaborating with co-producers / partner studios and assuring their performance
- Communicating with team and co-producers / partner studios their high-level goals, milestones and priorities
- Partnering with production manager, director and art director and offer solutions that manage scope and maintain the creative vision
- Creating and keeping budget and schedule in line with the production's creative goals and technical requests
- Planning production cash-flow with the company's accountant and top management
- Overseeing all aspects of production during all stages
- Creating reports and project related contracts; reporting to CEOs

### Your profile

- Management experience at senior level on several animated (feature film) productions
- Previous management position(s) in same field of expertise
- Strong people skills to continuously engage and motivate teams and partners
- Calm leadership in a fast-paced production environment
- Good understanding of complex technical CG production process
- Ability to present complex issues in a clear manner
- Ability to work proactively and independently and manage multiple projects
- Strong written and verbal communication skills in English (and ideally some German)
- Proficiency in office and common production tracking software

### What we offer

- Fulltime position (at least 32hr/wk) in long-term employment in a beautiful work atmosphere
- Team oriented and very family friendly work environment with wonderful colleagues
- Focus on projects with international partners (and not on running large in-house teams)
- Flat hierarchies ensuring that your ideas and wishes can be realized
- Steady flow of 1-2 projects of different sizes at a time
- German language lessons will be organized and paid for, if needed
- Competitive salary, potential for further development and growth with the company

We look forward to your application (English or German CV and ideally salary expectations/history)
