

CG Animation Producer/Production Manager and/or VFX Producer/Production Manager [m/w/d] (32-40 hrs/wk)

We are one of Germany's leading producers of animated family entertainment (film and TV) with a strong focus on story development, European co-production and financing. With our creative headquarter based in Berlin and our pre-production studio and production management in Hamburg, we are constantly expanding our collaboration with different partner studios in and outside Germany.

Currently, we are looking for a production professional with a background as a CG Animation and/or VFX Producer/Production Manager to be located in **Cologne**. The position has **a prospective duration of 4-5 months**. Potential collaboration for further projects is possible and aspired.

Your tasks

- Management of 3D asset production including budgetary planning, timing, resource, and capacity planning
- Formulating and monitoring of workflows between individual production studios and partners
- Independent and continuous optimization of workflows (technical and production) and communication
- Management and supervision of project goals and deadlines including weekly reports
- Management and supervision of quality control
- Communicating with team on site and partner studios
- Partnering with production manager, director and art director and offer solutions that manage scope and maintain the creative vision.

Your profile

- Management experience on 3D animated (feature film) productions
- Previous management/technical supervision position(s) in same field of expertise
- Good understanding of complex technical CG production process
- Strong people skills to continuously engage and motivate teams
- Ability to present complex issues in a clear manner
- Ability to work proactively and independently
- Strong written and verbal communication skills in German and in English
- Preferable experience in working with Shotgrid
- Preferable experience in working within USD pipeline

What we offer

- Team oriented and very family friendly work environment with wonderful colleagues
- Flat hierarchies ensuring that your ideas and wishes can be realized
- Potential for further development and growth with the company

We look forward to your application (CV and ideally salary expectations/history)
